Assembly Instructions: (It's helpful to read through all instructions before beginning.)

1. Stamp the Houndstooth image on lower edge of card front with Night of Navy ink. Use the Stamp-a-ma-jig to position.
2. Adhere Crumb Cake card stock just above the Houndstooth pattern on the card front with SNAIL Adhesive.
3. Apply small strip of SNAIL Adhesive to the center of the Crumb Cake strip. Wrap the ribbon around the card front, overlapping Crumb Cake card stock. Overlap the ends and adhere with SNAIL Adhesive or Glue Dot on the inside of the card front.
4. Stamp sentiment onto Whisper White card stock strip with Night of Navy ink. Flag the left side of the strip using the 1" Square Punch. Break down the fibers in the card stock strip by rubbing the bone folder across. Attach to the card front by placing a Dimensional on the back side of strip at the flagged edge and a Glue Dot on the other end. Can leave a little give in the strip for added dimension.
5. Stamp the Itty Bitty Bits star image onto scrap of Whisper White card stock with Night of Navy ink. Punch with Itty Bitty Circle Punch. Layer the Scallop Circle and circles together using Glue Dots. Adhere the finished embellishment to the end of the sentiment strip with a Dimensional.
