Blender Pens #102845
SNAIL Adhesive #104332
Dimensionals #104430

Cutting Dimensions:

Pear Pizzazz Card Stock	---	4 1/4" x 11" score @ 5 1/2"
Whisper White Card Stock	---	4 1/4" x 2" (for gingham) 3 1/2" x 2 1/2" (for tulips) 5 1/4" x 4" (liner)
Ribbon	---	9"

Assembly Instructions: (It's helpful to read through all instructions before beginning.)

1. Apply So Saffron ink to the inside of the Stripes Embossing Folder (section with "Sizzix" printed on it) using a Brayer. Lay the 4 1/4" x 2" layer of White card stock inside the folder and emboss with the Stripes Embossing Folder.

Sandwich as follows (from bottom to top):
Cutting Platform (tab 1)
Cutting Pad
Embossing Folder (with card stock inside)
Cutting Pad

2. Brayer the ink inside the embossing folder just as in Step 1, place the embossed layer inside the folder the opposite direction to create the gingham pattern and emboss again.
3. Ink the tulip half of the Blessed Easter stamp with Daffodil Delight ink pad, then ink the words and stem half of the stamp with Old Olive ink pad. Fill in the stems by adding ink to the stems with the brush tip of the Old Olive Stampin' Write Marker. Stamp image onto the 3 1/2" x 2 1/2" Whisper White card stock.
4. Use a Blender Pen to blend the ink and add color inside the tulip image. Use the Corner Punch to round the upper right corner of this layer and the upper right corner of the Gingham layer.
5. Tie ribbon around lower edge of the tulips layer.
6. Add Dimensionals to the back side of the tulips layer. You'll need to stack two dimensionals at the top and bottom left corners of this layer, and one dimensional at top and bottom right corners. Add six Dimensionals to the the back side of the Gingham layer. Layer and adhere to the card front.
7. Stamp the liner if desired and adhere to the inside of the card.
