### Cutting Dimensions:

Whisper White Card Stock	---	11" x 4 1/4" score @ 5 1/2"
	---	5 3/8" x 4 1/8"
		2" x 4 1/4" (for butterflies & tag)
Ribbon	---	7 1/4" & 10"
Baker's Twine	---	5"

**Assembly Instructions:** (It's helpful to read through all instructions before beginning.)

1. Emboss the 5 3/8" x 4 1/8" Whisper White card stock approx. 3/4" from long edges with the Needlepoint Border scalloped embossing folder, one side at a time.

Sandwich as follows (from bottom to top):  
Cutting Platform on Tab 1  
Cutting Pad  
Embossing Folder (card stock inside)  
Cutting Pad

Tip: I used a Post-it cut to 1 7/8" wide to use as a guide for positioning the second embossed scallop. After embossing the first scalloped edge, place the Post-it along the inside of the "stitching line", then line up the embossing folder with the opposite edge of the Post-it.

2. Ink butterfly image with Baha Breeze ink pad and use the Stamp-a-ma-jig to position and stamp butterflies inside the two embossed scallop borders.
3. Stamp three butterfly images with Baha Breeze ink onto the small scrap of Whisper White card stock. Use the Elegant Butterfly Punch to punch out butterflies.
4. Stamp "Mr. & Mrs." with Jet Black StazOn onto scrap of Whisper White card stock and punch with the Jewelry Tag Punch. Punch a 1/16" circle at the top of the tag.
5. Wrap the 7 1/4" piece of ribbon around the embossed layer and attach the ends on the back side using two Glue Dots, one on each end. Tie the remaining 10" piece of ribbon into a bow.
6. Attach the embossed layer to the card front with SNAIL Adhesive.
7. Thread Baker's Twine through the hole in the tag and tie onto the ribbon attached to the card stock. Trim ends and attach the bow over the tag with a Glue Dot. Now that the tag is attached, you can also slip a Glue Dot under the ribbon to secure it to the card stock to hold it in place.
8. Attach the punched butterflies over the butterflies on the card front with Glue Dots. Pinch the wings up to create dimension. Adhere Pearls to the center of each butterfly.
