2. Use the Bone Folder to slightly curl each flap of the box. Fold along score lines.
3. Lay one die-cut piece flat and mark the center point with the fine point tip of the Basic Black Marker to use as a guide for placing the punched circles.
4. Punch as follows:

Whisper White Card Stock: 2 - Scallop Ovals
2 - 3/4" Circles
2 - 1/2" Circles
1 - Sweetheart

Pink Pirouette Card Stock: 1 - Small Heart
2 - Lg. Ovals
1 - Medium Circle from the Owl Punch

Basic Black Card Stock: 2 - Lg. Circles from the Owl Punch

5. Using a Sponge Dauber, sponge Pink Pirouette ink onto edges of 3/4" White Circles, Pink Pirouette small heart, Pink Pirouette Ovals, and front section of the box.
6. Use Liquid Glue to adhere the circles onto the front section of the box to create the bunny's face. Layer the black circles onto 1/2" white circles and adhere to box using the small black mark as a guide. Adhere the small pink circle to the box. Adhere sponged white circles over

the eyes and mouth. Use fine tip of Basic Black Marker to draw whiskers onto cheeks. Adhere the small heart over the cheeks. Adhere the pink ovals to the white scalloped ovals.

7. Use Gel Pen to create shadow on the bunnies eyes. Use Black Marker to draw claws on White Sweetheart Punch for the feet.
8. Cut small section off one end of each of the ears. Use Bone Folder to create a score line approximately 1/8" from cut edge. Fold under along score line. Fold one ear over at the top edge to create floppy ear.
9. Adhere the two bottom box sections together using Liquid Glue to form the box. Close the flaps. Position the first ear and adhere with two Glue Dots. (You may need to open the box to secure.) Close box again and adhere the remaining ear with Glue Dots.
10. Adhere the Sweetheart (for the bunny's feet) to the bottom of the box with Glue Dots.
11. Tie Baker's Twine into a bow and adhere to bunny's ear with a Glue Dot.
12. Using the Scoring Tool, score 1/8" inside all edges of the Sahara Sand card stock, making sure to begin approx. 1/8" inch from the edges. Score again just inside this 1/8" scoreline at 1/4".
