## Assembly Instructions: (It's helpful to read through all instructions before beginning.)

- Die-cut the Crumb Cake Card Stock with the Petite Pocket Die using the Big Shot.  
 Sandwich as follows: (from bottom to top)  
 Cutting Pad  
 Shim (if needed)  
 Die  
 Card Stock  
 Crease Pad
- Use the Color Spritzer Tool with the Early Espresso marker to spatter the outside of the Petite Pocket envelope.
- Fold along all scored lines with a bone folder. Use a pen to mark where you want to attach the brads to secure the envelope when closed. Approx. 1/4" from the lower edge of the closed flap on the front of the envelopes, and approx. 1/2" from the lower edge of the flap on the flap.

4. Open the petite pocket and lay flat. Use Paper-Piercing Tool to punch holes at pen marks. Insert a brad into one of the die-cut circles and then insert into the punched hole on the envelope and secure.
5. Apply Sticky Strip to the two long edges of the Petite Pocket Envelope and assemble.
6. Stamp sentiments onto More Mustard and Cherry Cobbler card stock strips with Midnight Muse ink. Use the 1" Square Punch to notch one end of each strip.
7. Stamp Itty Bitty Banners sentiment onto Midnight Muse card stock strip using Whisper White Craft Ink twice. Use Paper Snips to cut around the stitched borders on three sides (be sure to leave the strip long enough to attach to the Scallop Circle).
8. Layer the three stamped ribbons from bottom to top...Midnight Muse, More Mustard, Cherry Cobbler, then center the them onto the 1 ¼" Midnight Muse Scallop Circle and punch a hole through all layers with the Paper-Piercing Tool. Insert a Brad, then insert that into the hole on the flap of the envelope and secure.
9. Insert Gift Card Insert (assembly instructions below).
10. Wrap one end of Baker's Twine around the lower brad a couple times to secure, then wrap the Baker's Twine around the closed envelope a couple times, ending by wrapping around the scallop circle a couple times. Tie a knot in the end of the Baker's Twine, leaving approx. ½" to grab and unwind when opening. Trim extra twine below the knot.
11. Stamp Itty Bitty Bits (star image) onto Whisper White scrap twice with Midnight Muse ink and punch with Itty Bitty Shapes (circle) Punch (save one to use for the insert). Layer onto the More Mustard ½" Circle with a Glue Dot. Adhere to the inside of the Pop Top with a Glue Dot. Adhere the Pop Top to the Silver Scallop Circle with a Glue Dot. Adhere to Red Glimmer Paper Circle with a Glue Dot.
12. Fan the ribbons out so you can read the sentiments. Cut a Dimensional in half and adhere to the either side of the brad on the Midnight Muse Scallop Circle. Adhere the Pop Top decoration over the center of the Midnight Muse Scallop Circle.

**Insert:**

1. Round edges of Crumb Cake card stock with 3/16" Corner Punch. Layer the Itty Bitty star image onto ½" Cherry Cobbler Circle with a Glue Dot, then layer that onto More Mustard ¾" Circle.
2. Adhere to one side of the Crumb Cake insert with two Glue Dots. Adhere remaining More Mustard ¾" Circle to the other side of the insert, matching with first circle.
3. Stamp sentiment on back side of insert. Attach gift card to the front of insert with SNAIL Adhesive. Slide inside the Petite Pocket.

Your Petite Pocket Gift Holder is finished...Enjoy!
