1. Align left edge of the Tangerine Tango card stock at the **2 1/4"** mark of the Envelope Punch Board. Punch, then score. Slide the same edge to the **3"** mark and repeat. Rotate paper 90° counter clockwise and align each of the score lines with the Score Guide. Punch and score. Rotate paper again and continue aligning at score lines, punching and scoring until you have done this on all sides.
2. Round one corner with the Reverse Punch.
3. Fold along all scored lines with bone folder. Cut 4 flaps (as shown in template above).
4. Apply Fast Fuse to the inside bottom flap (as shown on template).
5. Fold the two side flaps of the box in and then with the box squared up adhere the bottom flap to form the bottom of the box. Fold the top flap of the box down to secure with Belly Band later.
6. Fold along all score lines on Basic Black belly band. Apply Adhesive to the back side of the Designer Paper. Position and adhere the center section of the belly band, then with the belly band folded around the box, adhere the remaining ends of the DSP. Adhere the ends of the Belly Band with Fast Fuse.
7. Stamp the sentiment with Memento ink onto the Bermuda Bay strip. Punch flagged ends using the 1" Square Punch or Paper Snips.
