Old Olive Card Stock	---	2 ¼" x 4", 1" x 2 ¼"
Real Red Card Stock	---	3" x 7" (or 2 - 2 ½" Circles)
Whisper White Card Stock	---	2 ¾" x 5"

Assembly Instructions: (It's helpful to read through all instructions before beginning.)

- Stamp "olive you" sentiment onto the smaller piece of Old Olive card stock. Stamp the sentiment randomly onto the larger piece of Old Olive card stock to create your own patterned paper. Adhere this to the right side of the circle card using SNAIL Adhesive, making sure to leave a slight black border around all edges.
- Punch 2 circles from the Real Red card stock using the 2 ½" Circle Punch (be sure to leave enough red card stock to die-cut the "xoxo").
2. Die-cut "xoxo" using waxed paper so the die will separate easier. After die-cutting, use Paper-Piercing Tool to help separate card stock from the die.

Sandwich as follows(from bottom to top):
 Magnetic Platform
 Cutting Pad
 Card Stock
 Wax Paper
 "XOXO" Die
 Cutting Pad

- Die-cut the Circle Card from the Basic Black card stock. The finished card will measure 4 ¼" x 4 ¼" when folded, so the card stock will be shorter than the actual die. There will be approximately 1/4" gap between the length of the die and the length of the card stock.

Sandwich as follows(from bottom to top):
 Magnetic Platform
 Cutting Pad
 Card Stock
 Thinlits Circle Card Die (laid over card stock as in Fig. 1)
 Cutting Pad

5. Die-cut 2 circles from the Whisper White card stock using the 2 5/16" Circles Framelits Die. Sandwich same as above.
6. Die-cut the "olive you" banner using the Bitty Banners Framelits die. Sandwich same as above.
7. Stamp olive image in the center of one of the white die-cut circles using Black StazOn ink. Use the Aqua Painter to add Old Olive ink to the olive image. Color the heart and pimento images with Real Red Marker.
8. Layer a Red Circle onto the front of the Circle Card base with Dimensionals. Adhere the olive image circle over the red circle layer with SNAIL Adhesive. Layer the remaining red circle with the remaining white circle with SNAIL Adhesive and then adhere to the inside of the circle card with SNAIL. Adhere the "XOXO" to the center of the inner circle with Liquid Glue.
9. Sponge Old Olive ink onto the edges of the "olive you" banner using a sponge dauber. Adhere to the card front with Dimensionals.

Your Flip Card is finished...Enjoy!!
