Assembly Instructions: (It's helpful to read through all instructions before beginning.)

- Use a ruler and grid paper to draw a line from the left edge of one piece of Old Olive card stock across the two score lines at the following marks: 3/8", 1 1/4", 2 1/4", 3 1/8". Then draw a line at the 2 1/4" & 2 3/4" marks between the top and bottom 3/8" lines and at the 1 3/4" mark between the two center lines. (See Template) This will form the tabs for the inside of the holder.
- Using the Scoring Tool, score along all dotted lines as shown on template.
- Fold the right sides together along the 2 1/2" score line. Use Paper Snips to cut along each of the solid red lines, just to the 3 1/4" scored line.
- Use Bone Folder to crease along all score lines on both pieces of Old Olive card stock.
- Position the inside and outside pieces of the holder together and make sure the edges fit together evenly. You may need to trim a slight 1/16" from one side. Apply Sticky Strip to the wrong side of the cover (as shown in template). Do not put

adhesive in the center section, except where the ribbon will go. Center and adhere the ribbon to the Sticky Strip across the middle of the cover. Adhere the two Old Olive sections together.

6. Stamp flower images onto both pieces of Whisper White card stock and the DSP with Rose Red ink. Stamp leaves using Old Olive ink. Stamp circle border image using So Saffron ink, stamping off to create a layered ombre effect. Stamp the sentiment onto the front piece with Early Espresso ink.
7. Layer the stamped piece for the front onto the So Saffron Card Stock and then onto the front of the holder with Fast Fuse or SNAIL Adhesive. Adhere the stamped layer for the inside. Stamp leaf image onto the inside with Old Olive ink if desired.
8. Remove backing from Adhesive Sheet and apply to the DSP. Wrap DSP around the Lip Balm tube and insert into holder. Tie the ribbon into a bow to hold closed.
9. Stamp the small butterfly image onto scrap of Whisper White card stock using Hello Honey ink. Punch with the Bitty Butterfly Punch. Adhere to front with a Glue Dot. Adhere Pearls to the butterfly and flowers.
