Assembly Instructions: (It's helpful to read through all instructions before beginning.)

1. Fold Blackberry Bliss and Hello Honey card stock along score lines. Crease well with a Bone Folder.
2. With folded edges opposite each other, insert the longer 5 1/4" scored section of the Hello Honey card stock inside of the Blackberry Bliss card stock so that the end of the Hello Honey CS sits right at the Blackberry Bliss fold. Adhere together with SNAIL Adhesive, leaving the folded flaps free to overlap each other.
3. Adhere the Cajun Craze card stock to the center of the Hello Honey front flap with SNAIL Adhesive.
4. Ink the Seasonally Scattered "thanks" image with Hello Honey ink. Then use Sponge Daubers to add (from lightest color to darkest) Pumpkin Pie, Old Olive and Blackberry Bliss inks to the stamp. Stamp image onto the smaller layer of Very Vanilla Card Stock. CLEAN STAMP before re-inking!
5. Re-ink the stamp again the same way, and stamp corners of Very Vanilla liner. Clean the stamp. Ink the Good Greetings sentiment for the inside of the card with Blackberry Bliss ink and stamp onto the liner. Tip: I like to stamp off once before stamping onto the liner for a more colorful sentiment.
6. Adhere the liner to the inside of card with SNAIL Adhesive.
7. Adhere the stamped "thanks" layer onto the card front with Dimensionals.
