2. Emboss Pool Party Scallop Square with the Perfect Polka Dots Embossing Folder.

Sandwich (from bottom to top): Cutting Platform (Tab 1)

Embossing Folder (with card stock inside)
Cutting Pad

3. Score at Scallop Square at 1 1/4" along all four sides. Cut 2 flaps along score lines as shown in picture, then cut two of the flaps down to approximately 1/4" as shown in pictures. Apply Sticky Strip to the 1/4" flaps on the right side of the box. Now you can assemble the top of the box by folding the the 1/4" flaps to the inside of the remaining flaps.
4. Score Basic Black card stock at 1 5/8" on all four sides. Cut flaps as shown in picture (crumb cake template). Apply Sticky Strip as indicated in red on template (above), then assemble the box by folding the side flap without Sticky Strip in first, then fold the opposite side flap up and adhere to the first flap so bottom and top edges are square. Fold center flap up and adhere. Do the same for the other side of the box.
5. To make the flowers, see the step-by-step tutorial at...<http://creationsonpaper.blogspot.com/2010/03/flower-tutorial.html>. I added a little 2-Way Glue to the edges of the flower petals and sprinkled with Dazzling Diamonds Glitter. Attach flower to the box with Hot Glue.

Your favor is finished...Enjoy!
