Cherry Cobbler Card Stock	---	2 1/8" x 2 3/4"

## Assembly Instructions:

1. Stamp images and wording of your choice onto the smallest piece of Whisper White Card Stock.  
*Note: If making the card with the tree image, I inked the stamp with the Old Olive Classic Ink Pad and then removed the ink from the star portion of the stamp with a blender pen. Then I applied More Mustard ink with the Stampin' Write Marker.*
2. Layer the larger piece of Whisper White card stock onto the Cherry Cobbler card stock with SNAIL Adhesive, then adhere to the center of the card front with SNAIL Adhesive.
3. Adhere the stamped layer onto the center of the card front with two Dimensionals.
4. If making the mistletoe card, adhere a self-adhesive Pearl to the center of the bow.
5. Stamp the envelope to coordinate if desired.

Your card is finished...Enjoy!
