**Assembly Instructions:** (It's helpful to read through all instructions before beginning.)

1. Slide the largest scored section of the Designer Series Paper into the Scalloped Tag Topper Punch. Be sure to slide it completely until it will not go any further.
2. Fold along score lines. Set the post-it's inside and pencil mark the center of the keyhole on the bottom flap of the holder. Remove the post-it's and use the Paper-Piercing Tool to punch a hole through the pencil mark. Insert the Brad Base.
3. Adhere the bottom side of the stack of post-it's to the inside of the holder with Fast Fuse Adhesive. Close the holder and secure with the brad.
4. Adhere a Rhinestone Jewel to the Brad Base.
5. Stamp a Petite Petal image onto Whisper White card stock with Coastal Cabana ink. Punch with Petite Petals Punch.
6. Stamp the small flower image from Something to Say Stamp Set with Coastal Cabana ink onto Coastal Cabana Card Stock. Punch with Itty Bitty Flower Punch.
7. Layer the flowers onto the front of the post-it holder with Glue Dots. Adhere small Rhinestone Jewel to the center.
