1. Rub Embossing Buddy over the smaller piece of Very Vanilla Card Stock. Stamp sentiment and snowflakes using VersaMark ink and sprinkle with Embossing Powder. Tap off excess so that Embossing Powder sticks only to the VersaMark.
2. Emboss using the Heat Tool on high setting.
3. Attach Brushed Gold Card Stock to the left side of stamped layer with Snail Adhesive.
4. Use Corner Rounder Punch on right side corners of both the stamped layer and the card front.
5. Adhere stamped layer to card front with Dimensionals.
6. Tie a bow with the Seam Binding and adhere over Brushed Gold Card Stock with a Glue Dot.
7. Adhere Button to large snowflake image with a Glue Dot, then add a pearl to the center of the button. Can also add pearls to center of remaining snowflakes if desired.
8. Optional: stamp sentiment on inside of card.
