### Assembly Instructions: (It's helpful to read through all instructions before beginning.)

1. Begin by inking the brayer with Tangerine Tango ink and rolling over the smaller die-cut leave on the pattern side until you've achieved the desired amount of color.
2. Clean the brayer and ink with Chocolate Chip ink and roll over the large die-cut leaf until you've achieved the desired amount of color.
3. Sponge both leaves with Chocolate Chip ink. Set aside.
4. Stamp sentiment with Chocolate Chip ink. Cut around banner with Paper Snips, leaving a little extra card stock on the unflagged edge. Use the Chocolate Chip Marker to add brown color to this extra edge so it doesn't show after attaching behind the button.
5. Cut Sahara Sand card stock along all solid lines as shown in the template above. Crease along all score lines with Bone Folder.
6. Adhere Sticky Strip as shown on the templates above.
7. Use Liquid Glue to adhere Birch Paper onto the outside of the box, second scored section from the narrow 1/4" flap with the sticky strip.
8. Remove backing from the Sticky Strip on the 1/4" flap and adhere to form the side of the box.
9. Before assembling the bottom of the box, press in on both narrow sides of the top of the box and pinch front and back together. On each of the four folded corners, punch a half circle using the Itty Bitty Shapes Circle Punch.

10. Remove backing from Sticky Strip on the bottom of the box. Fold the two small flaps to the inside first, then the back flap, then the front flap and adhere to assemble the bottom of the box.
11. Cut a notch in one end of the Burlap Ribbon and adhere to the top edge of the box over the Birch Paper using Glue Dots.
12. Fill the bag with goodies or a gift and wrap the Baker's Twine around the top edge of the box a couple of times using the half circle notches to hold it in place. Tie in a bow on the back side of the box.
13. Crumple the leaves to give them dimension and adhere to the front of the box with Glue Dots. Adhere the sentiment with a Glue Dot.
14. Thread 8" piece of Baker's Twine through the Button and tie into a bow. Adhere to the bag over the leaves with Glue Dots.

Your Thanksgiving Favor is finished...Enjoy!!
